

McKenzie Health System is now sharing images through Nucleus.io, an online image sharing solution that provides quick access to and from any web-enabled device for on-the-go viewing needs and convenience.

- 1 Your provider will send an email invite OR register at hub3.nucleus.io.
- 2 Complete a quick registration.
- 3 Log in to your account to access your images.

BENEFITS OF nucleus.io™

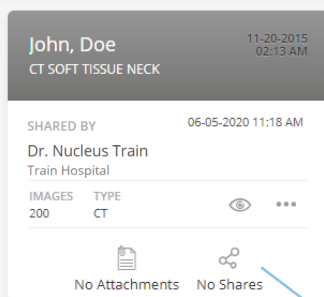

- Delivers images faster, easier and more securely than CDs
- Access and control your images on any web-enabled device
- No hassle alternative to CDs
- View your images and reports in one place
- Download your images
- Free to use

Contact your provider if you don't see your exam or report after logging in. For Instruction Guides or questions, click on the Open Support button.

As a patient, you now have access to view and share your medical images to those with and without a Nucleus.io account. Think of Nucleus.io as your digital disc.

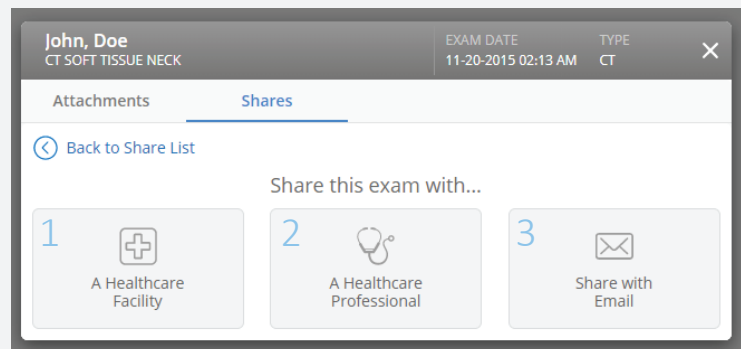

SHARE IMAGES WITH **nucleus.io**TM

Share

To get started, click the share icon under your exam of choice and then click on 'create share.'

You can select from 3 options to share your images with the facility or provider of your choice.

- 1** Share to Existing Facility
 - Search the directory, add to favorites, or check recent recipients for facilities with Nucleus.io accounts.
- 2** Share to Existing Provider
 - Search the directory, add to favorites, or check recent recipients for providers with Nucleus.io accounts.
- 3** Share via Email to non-account holders and new users
 - No account, no worries! Share via email and the recipient can choose to become a user or access the images for free.
